ACCESSIBLE AND ADAPTED TOURISM IN SPAIN

VAVAVA extends the business possibilities of international tour operators by becoming their partner in Spain for receiving tourists who wish to contract a stay, activities and services with a guarantee of adaptability and accessibility. VAVAVA brings faithful customers thanks to the satisfactory experience they will have.

THE PERFECT SOLUTION WHEN THE CUSTOMER IS SPECIAL

International tour operators have a specialist to peacefully and confidently attend a market estimated at more than 50 million people in Europe alone: people with some kind of disability who want a holiday in a leading tourist destination like Spain

WE SELECT AND ORGANISE EVERYTHING THAT IS NEEDED AND MORE

VAVAVA selects, organises and supervises its customers' holidays or stays in accordance with the individualised special needs of the disabled person or group. VAVAVA will ensure that its customers only have to worry about feeling good and making their dreams come true.

SPECIALISED SERVICES TO THE MEASURE OF EACH PERSON

We pay attention to the people and everything that can make them feel happy and help them enjoy their holiday Therefore, VAVAVA offers a range of services around the chosen tourist destination, capable of covering any need or preference, including personal assistance, healthcare and adapted transport services.

DON'T WORRY, WE WILL DEAL WITH EVERYTHING

VAVAVA offers all services at destination without you or your customer having to worry. It's as easy and comfortable as that, secure and reliable: from the selection of accessible and adapted hotels, to assistance and medical care services. And if necessary, with assistants in your own language.

A SERVICE-ORIENTED PROFESSIONAL TEAM

VAVAVA's guarantee of success is based on a professional team of tourist guides, therapists and architects specialised in accessibility and adaptability, and its great experience in handling and organising disabled people. VAVAVA is an initiative of the Sique! Private Foundation for the intellectually disabled.
